

## Influencer marketing 2.0

A growing network where everyone gets paid to post

Get your cut of a \$36 billion market

## Combining Facebook Ads with influencer marketing

Unboxed combines the ease of Facebook ads with AI and Blockchain to create a network of social media users where everybody gets paid to post.

Facebook Ads	unboxed	Influencer marketing
Cost per engagement is constantly increasing	✓	Lower cost per engagement
Need to invest in creating engaging content	✓	Authentic content created and posted by people
Easy to target audience	✓	Time consuming management
Easy to launch a campaign	✓	Difficult to scale

## These brands are already using Unboxed to spread the word about their products
